6 15-UNITED STATES DISTRICT COURT  
7 WESTERN DISTRICT OF WASHINGTON  
8 AT SEATTLE

9 JULIE KAY HATCH,

10 Plaintiff,

Case No. C15-575 RSM-BAT

11 v.

12 CAROLYN W. COLVIN, Commissioner of  
13 Social Security,

Defendant.

**REPORT AND  
RECOMMENDATION**

14 Having reviewed the parties' stipulated motion for remand, Dkt. 13, the Court  
15 recommends **REVERSING AND REMANDING** for further administrative proceedings  
16 pursuant to sentence four of 42 U.S.C. § 405(g).

17 On remand, the ALJ should hold a *de novo* hearing and issue a new decision. Plaintiff  
18 may raise any issue and submit additional evidence in support of her claim. The ALJ will  
19 reevaluate the medical opinions of record and include the credited limitations in the residual  
20 functional capacity. Once the ALJ renders a new residual functional capacity finding, the ALJ  
21 will continue the sequential evaluation to step four and, if necessary step five, obtaining  
22 vocational expert ("VE") testimony as needed. The ALJ will ensure that the VE's testimony is in  
23 response to a hypothetical including all the credited limitations and will resolve any conflicts

1 between the VE's testimony and the Dictionary of Occupational Titles.

2 Because this is a stipulated motion, the Clerk should note this matter for immediate  
3 consideration by the district judge.

4 DATED this 22nd day of September, 2015.
